Dear Dr. Henney. I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food. I request that the agency's current policies be changed, and I support all the points in docket #00P-1211\CP1 All GE foods should be labeled so I am informed and have a choice "GE foods should not be assumed to be "generally recognized as safe" and should have mandatory pre-market safety testing to determine the long-term impacts to human health and the environment. (Additional Personal Comments:)	20¢ stamp please Commissioner Jane Henney Docket No.00P-1211\CP1 FDA Dockets Management Branch (HFA-305) 5630 Fishers Lane, Room 1061 Rockville MD 20852
